Heard.

Admitted.

CRM-37403-2022

This is the first application filed by the applicant-petitioner for suspension of his sentence.

Learned counsel for the applicant-petitioner contends that the Trial Court has erred in convicting the applicant-petitioner; the applicant-petitioner has undergone actual custody of 05 months and 29 days out to the total awarded sentence of 03 years; the grievous injury is not attributed to the petitioner and that the revision petition which has been admitted for regular hearing is not likely to be heard in the near future.

Learned State counsel opposes the grant of bail to the applicant-petitioner on the ground that the applicant-petitioner alongwith his co-accused caused grievous injury and that he is also involved in another case under Excise Act.

After considering the totality of the facts as noticed above, the applicant-petitioner's sentence is ordered to be suspended. Resultantly, he is directed to be released on bail on his furnishing appropriate bail bonds to the satisfaction of the CJM/Duty Magistrate, Shaheed Bhagat Singh Nagar.
