ANOOP CHITKARA, J.

Feeling aggrieved by the extension of time to conclude investigation in view of the provisions of Section 43-D of UAPA Act, the petitioner has come up before this Court for setting aside the order dated 17.11.2021.

Petitioner's counsel submits that time to conclude the investigation, was extended way back in November 2021, however at the time of filing challan on 30.11.2022, the offence under UAPA Act was not added against the petitioners, rendering the petition infructuous.

Given above, the present petition is disposed of as having rendered infructuous. Pending applications, if any, stand disposed of.
