Harsimran Singh Sethi, J. (Oral)

Present petition has been filed for quashing of impugned order dated 29.07.2016 (Annexure P/4) passed by the Judicial Magistrate 1st Class, Rewari by which, a complaint filed by the petitioner was dismissed as well as order dated 07.08.2019 (Annexure P/5) passed by the Additional District and Sessions Judge, Rewari whereby, in revision, order dated 29.07.2016 (Annexure P/4) was upheld.

Learned counsel for the petitioner argues that the Courts below have not considered the contentions raised in the correct respective and have ignored the evidence on record while dismissing the compliant filed by the petitioner. Learned counsel for the petitioner submits that all the ingredients required to issue summons to the accused were very much available before the Court but the same have been ignored.

On being asked to point out as to what evidence has come on record to support the allegations, learned counsel for the petitioner has not been able to point out any such evidence rather the name of the accused on

whom the allegation are being made, has not been mentioned or even proved. The lower Appellate Court has rightly considered all the facts and has stated the same in paras-12, 13 and 14 of the impugned order. Learned counsel for the petitioner during the course of hearing has not been able to rebut the findings recorded herein.

Keeping in view fact that no perversity in the impugned orders has been pointed out with regard to any evidence which has come on record, no interference is called for by this Court and the revision petition is accordingly dismissed.
