for respondent No.6.

G.S. SANDHAWALIA, J. (Oral)

[1]. Petitioner seeks release of imported goods, which are stated to be comprising of ARECA NUTS (Supari).

[2]. It is the common case of the counsel for the parties that the goods which have been imported have been rejected on the ground that they are not fit for human consumption and the ARECA NUTS do not conform to the standards laid down under Regulation No.2.3.55 of Food Safety & Standards (Food Products Standards and Food Additives) Regulations, 2011 and have been classified as sub standard.

[3]. Faced with this situation, learned counsel for the petitioner submits that the petitioner has already requested the respondents for re-export of the goods and necessary orders may be passed on the said applications.

[4]. Keeping in view the above, the learned counsel for the petitioner submits that he be permitted to withdraw this writ petition subject to the condition that the respondents shall take decision on the request for re-export within a period of 10 days.

[5]. Ordered accordingly.
