DEEPAK SIBAL, J. (Oral)

1. The present intra court appeal is directed against the order dated 06.11.2023 passed by a learned Single Judge of this Court dismissing the writ petition filed by the appellants through which they had sought protection of their life and liberty which they feared at the hands of the private respondents.

2. Learned counsel for the appellants submits that the appellants are in a live-in-relationship which relationship of theirs has not been accepted by respondents No.5 to 8, who are the family members of appellant No.1. Therefore, respondents No.5 to 8 were threatening to eliminate the appellants. In this regard the appellants had made several representations to the police but to no avail.

3. After hearing learned counsel for the appellants and going through the record of the case, without expressing any opinion on the merits

of the matter and in particular the legality of the alleged relationship between the appellants, after setting aside the impugned order, we dispose of the instant appeal with a direction to the Superintendent of Police, Ambala to forthwith consider the representation dated 28.10.2023 (Annexure P-3) made by the appellants and thereafter take appropriate action on the same as is deemed fit, in accordance with law, to ensure the protection of life and liberty of the appellants.

4. It is made clear that this order shall not be taken to validate the alleged relationship between the appellants or to protect them from legal action for violation of law, if any, committed by them.
