In the event of any objection raised by the Registrar of Trademarks or Registrar of Copyrights, the other party shall on the request of the aggrieved party shall provide No Objection letter to the aggrieved party to overcome such objection positively within a period of two weeks. Both parties agree to co-exist on the Trademark and Copyright register with respect to the trademark L & K. Both parties acknowledge the validity of the above registered trademarks of each other.

shall include their respective trade name/ corporate name alongwith the trademark "L & K", which shall be done in following manner:

- (i) For all the trademarks/ copyrights Applications which the first party shall file, the same shall include "by B.L & Company" in the device;
- (ii) For all the trademarks/ copyrights Applications which the second party shall file, the same shall include "by ABL International" in the device;

It is further agreed between the parties hereto that in future if either of the parties decide to opt for some other trade name/corporate name, such party shall include such new trade name/corporate name alongwith the trademark "L & K".

E. The parties agree to manufacture and market under the trademark L & K accompanied with their trade name / group name/ corporate name with effect from 01 January 2024 onwards. The parties do not have any objection to the retail or wholesale of goods manufactured including packaging (corrugated boxes) in reference to the Trade Marks of the Trade Mark applications bearing nos. 4419746, 4419747, 4419748 & 4419749 and supplied prior to 01 January 2024 which bear the trademark L & K *per se* till the time, such goods are sold or liquidated. The parties further agree that the trade name / group name/ corporate name of one party shall not be similar to the trade name/group name/ corporate name already in use by the other party. In order to avoid any disputes, the parties shall not use abbreviation of their personal name/letter marks as their trade name/group name/corporate name, which is similar to the trade name/group name/corporate name already in use by the other party.

That three trademark mark applications, which were filed by the First Party being Trademark Application Nos. 4274184, 4274185, 5426513, 5426515 & 5416516 seeking registration of the Trademark "L & K" in various forms and design under various Classes have been objected by the Trademark Registry and accordingly Examination report of each of such Trademark Application has been issued. That in each of such trademark, the common objection is that there exists a similar registered trademark with the name of L & K, hence the First party's afore-said TM applications could not be accepted. It is worth mentioning that each of such examination report, the cited mark is of the Second party. Therefore, the Second Party

through this Settlement Agreement agrees that she has no objection if the Trademark Application Nos. 4274184, 4274185, 5426513, 5426515 & 5416516 are accepted and advertised and objection under Section 11 is removed. Even otherwise the Second Party agrees that the present Settlement Agreement shall be taken as her No Objection and if required the Second party shall provide a separate NOC.

G. The Petitioner has no objection, if Respondent No.1 (Sushma Rani Arora) retains the Copyright Registration number A/80698/2007 in her name. Petitioner shall withdraw his objection filed before the Registrar of Copyrights against Registration No A/80698/2007, within a period of 8 weeks from today.
