4. As per prosecution case, it is alleged that the complainant

In fact, both parties are resident of the same village and the father of the complainant had taken loan of Rs. 40,000/- from the father of the petitioner for the purpose of marriage of the complainant. Then father of the petitioner sent a legal notice and then filed Complaint Case No. 726 of 2018 against the father of the complainant and others. After getting knowledge of the said complaint case, the complainant filed this false and concocted case against the petitioner only to put pressure to grab the loan amount. It is further submitted that petitioner has got clean antecedent.
