ORAL JUDGMENT

Date : 01-07-2024

Heard the parties.

2. At the outset, learned Advocate for the petitioner contended that now the grievance of the petitioner with respect to full and final pension, gratuity, leave encashment and other admitted retiral benefits to the petitioner has been settled, once the authority slips have already been issued and substantive amounts have been paid, except a small amount.

3. On the other hand, learned counsel for the State submits that as per his instructions all the payments have been made. If certain amount has not been made, the same shall be paid to the petitioner. Further, in response to the direction of this Court dated 29.08.2023, whereby, the Additional Chief Secretary was directed to report this Court as to what action has been taken against the concerned authority, who has acted without jurisdiction in serving notice to the petitioner, it is contended that on account of some discrepancies on the record, the second show-cause notice was issued, however, in compliance of the order, the matter was duly reviewed after going through entire records related to the service history of the petitioner and on being satisfied, the petitioner was regularized

and absorbed along with others vide notification no. 3535 (s) dated 28.03.2012. The petitioner was specifically incorporated under Rural Works Department and direction has been issued for issuance of authority slips.

4. Having gone through the averments made in the interlocutory application bearing IA No. 01 of 2023, filed on behalf of the respondent Special Secretary, Rural Works Department, no further action is required in the matter.

5. The writ petition stands closed with the expectation that the remaining amount, if any, shall be paid to the petitioner, forthwith.
