CORAM: HONOURABLE MR. JUSTICE RAJIV ROY
ORAL ORDER

4 04-12-2024 Heard Mr. Surendra Singh, learned Senior counsel for
the petitioner and the State.

2. The petitioner is in custody in connection with Sangrampur (Tetiya Bamber) P.S. Case No. 242 of 2023 for the offence punishable under sections 302, 304(B) and 34 of the Indian Penal Code and Section 3/4 of the Dowry Prohibition Act lodged on 13.08.2023. by the informant, Aashish Kumar.

3. As per the prosecution story, the informant alleged that the girl was married to this petitioner and a male child was also born out of the wedlock but was always tortured for dowry. On the fateful day, information came about the death and as the informant went, saw the dead body with injuries all over the

body. This led to the FIR.

4. Though learned Senior counsel for the petitioner submitted that the cause of death is asphyxia due to hanging, learned APP has taken this Court to the postmortem report which is part of the case diary to show that multiple injuries have been found on the person of the lady on mandibular region, arm, cheek, chin, the right side of the lip, the abdomen as also the back region and as such, the allegation in the FIR seems to be true. It is the further submission of the learned APP that charges have already framed in the matter.

5. Taking into account the aforesaid submissions put forwarded by the parties as also the allegation coupled with the fact that in the postmortem report the injuries have been found on the person of the deceased and charges already framed, in that background, it would be appropriate that the petitioner faces trial.

6. The present bail application stands rejected.
