ORAL ORDER

3 01-10-2024 Heard learned counsel for the petitioner and the
State.

2. Petitioner apprehends arrest in a case registered
for the offence punishable under sections 304/34 of the Indian
Penal Code.

3. The prosecution story in brief is that 12-03-24
at about 04:30 p.m. the wife of informant namely Lilawati Devi,
aged about 35 years went to Dr Sanjay Kumar's clinic near
Brahima Mor to show her toothache. Due to the doctor's
negligence and wrong and improper treatment, informant's wife
died in the doctor's clinic. After that, the doctor's compounder
brought his dead wife in a Bolero vehicle bearing registration
no. B.R.29K-0103 to Sadar Hospital Gopalganj on the pretext of

getting her treatment and thereafter he left her and fled away.
Hence, the present F.I.R.

4. Learned counsel for the petitioner submits that the petitioner is innocent and has falsely been implicated in connection with the present case due to party politics.

5. Learned counsel for the State opposes the prayer for bail and submits that wife of the informant died during treatment as she was suffering from toothache only. It is further submitted that condition of the deceased deteriorated only after injecting some medicine to her in his clinic. It is further submitted that without having proper degree qualification and experience, the petitioner treated the wife of the informant, as a result of which, she died.

6. Considering the submissions put forward by the parties, prayer for anticipatory bail of the petitioner stands rejected.
