CORAM: HONOURABLE MR. JUSTICE SUNIL KUMAR PANWAR
ORAL ORDER

5 22-01-2024 Heard learned counsel for the petitioners and
learned APP for the State.

The petitioner has prayed for regular bail in a case registered for the offence punishable under sections 302, 201, 34 of the IPC.

As per FIR, the informant alleged that the petitioners in connivance with others due to family dispute committed murder of her son.

Learned counsel for the petitioners submits that the petitioners are innocent and have committed no offence. The

petitioner No-1 is wife of the deceased and the petitioner No-2 is mother-in-law of the deceased and due to family dispute they have falsely been implicated in this case². The informant is not an eye witness of the alleged occurrence. It is further submitted that the petitioners are languishing in judicial custody since 15.09.2022.

Learned APP appearing for the state has vehemently opposed the prayer of regular bail and submitted that there is allegation against the petitioners of committing murder of the informant's son. The prosecution case and postmortem report also supported the prosecution version. It is further submitted that the charge sheet has already been submitted.

In pursuance of order dt. 04.12.2023 a report with regard to present stage of trial has been received which has been kept at Flag 'D' from which, it appears that both parties cooperate the case and trial is likely to conclude within two months.

Having heard the learned counsel for the parties and considering the fact and gravity, this court is not inclined to enlarge the petitioner on bail and, as such, his prayer for bail stands rejected.

The trial Court is directed to expedite the trial and

conclude the same as soon as possible.
