ORAL JUDGMENT

(Per: HONOURABLE THE CHIEF JUSTICE)

Date : 24-06-2024

The appellants claim is that they were entitled to 1/4th share in a land which was acquired for the construction of the railway line from Deoghar to Sultanganj. Even according to them, the entire compensation was received by the Respondents No. 6 & 7 and they did not specify the time at which they came

to know of this receipt of money by the party respondents.

2. The appellants ought to have filed a suit against the Respondent Nos. 6 and 7 in whose favour the compensation amount was disbursed at the appropriate time. The appellants, however, filed an application before the Public Grievance Redressal Officer eight years after the award money was paid. The learned Single Judge found that there was no cause for interference, especially since the appellants had not objected to the disbursement of amounts to the respondents, who are the brothers of the 1st appellant.

3. We find absolutely no reason to interfere with the impugned judgment passed. The appeal stands dismissed.
