ORAL ORDER

2 30-09-2024 Heard learned counsel for the petitioner and learned
APP for the State.

2. The petitioner has prayed for bail in a case instituted
for the offence under Sections 307/34 of the Indian Penal Code
and Section 27 of the Arms Act.

3. As per prosecution case, the allegation against the
petitioner is of firing upon the informant due to which he sustained
injury.

4. It is submitted by learned counsel for the petitioner
that petitioner has been falsely implicated in this case. He has
committed no offence. He submitted that the informant sustained
fire-arms injury which is simple in nature. There is general and
omnibus allegation against the petitioner and he is languishing in
judicial custody since 12.01.2024.

5. Learned APP for the State has opposed the application for bail and submitted that petitioner is named in the FIR and there is specific allegation of firing against the petitioner due to which the informant sustained injury. Petitioner has also been made accused in two more cases. During investigation several witnesses have also supported the prosecution case.

6. Having heard the learned counsel for the parties and considering **the nature of allegation as well as the petitioner having criminal antecedents**, this Court is not inclined to enlarge the petitioner on bail and, as such, his prayer for bail stands rejected.

7. The petitioner may renew the prayer for bail after six months, had the trial not concluded.
