**CORAM: HONOURABLE MR. JUSTICE SATYAVRAT VERMA
ORAL ORDER**

2 18-10-2024 1. Heard learned counsel for the petitioner and learned
APP for the State.

2. The Court is taking a consistent view of not
extending the time of surrender in the event if the accused has
not surrendered within the time stipulated in the order by which
he was granted the privilege of anticipatory bail.

3. The learned counsel for the petitioner submits that
petitioner was granted the privilege of anticipatory bail by an
order dated 05.08.2024 in Criminal Miscellaneous No. 53679 of
2024 and was directed to surrender within a period of six weeks.
It is further submitted that petitioner resides at Chennai and
suffered jaundice. It is further submitted that from perusal of the

medical report, it would manifest that petitioner started suffering from jaundice on 25.08.2024, on which the learned APP, Mr. Suresh Prasad submits that it absolutely does not stand to reason that petitioner was granted the privilege of anticipatory bail by an order dated 05.08.2024 in Criminal Miscellaneous No. 53679 of 2024, as such, he could have surrendered before 25.08.2024, on which the learned counsel appearing on behalf of the petitioner submits that since petitioner was staying at Chennai, as such, he could not come in time, on which the learned APP submits that the petitioner is moving at his leisure.

4. The modification application is dismissed.
