Advocate for the Petitioner : SUPONGWATI WALLING

Advocate for the Respondent : GOVT ADV NL

BEFORE
HON'BLE MR. JUSTICE BUDI HABUNG

ORDER

Date : 13-05-2024

Heard Mr. Supongwati Walling, learned counsel for the petitioners. Also heard Ms. A. Ayemi, learned Government Advocate for the State respondents.

2. The petitioners, 283 in numbers, filed this writ petition under Article 226 of the Constitution of India praying for regularization of their services as per the OM No. AR-3/GEN-201/2009 dated 17.03.2015 issued by the Government of Nagaland.

3. The case of the petitioners in brief is that they all are serving as Work Charged (Scale) employees under the Department of NPWD, Kohima, Nagaland. They all have completed 30 years of continuous service in the department and therefore, they are eligible to be considered for regularization in terms of the OM No. AR-

3/GEN-201/2009 dated 17.03.2015 issued by the Chief Secretary to the Government of Nagaland.

4. The OM No. AR-3/GEN-201/2009 dated 17.03.2015 provides a scheme for regularization and absorption of work charged and casual employees and revision of pay/wages etc. The scheme amongst others provides the following:

> "*...1. Regularisation in service:*
>
> (i) *All existing work-charged and casual employes of various departments who are enjoying scale pay and who have completed 30(thirty) years or more continuous service as on 01.01.2015 will be regularized by conversion to their posts into regular ones personal to them and subject to fulfillment of certain conditions; like availability of service record including appointment order, date of initial appointment, proof of length of service/age, suitability for continuation in service to be recommended by the head of department concerned, etc*
>
> (ii) *In respect of those work charged and casual employees in scale pay and who have completed or will complete 30(thirty) years of continuous service after 01-01-2015, their case is for regularization will be taken up subsequently in two batches as on 1st July and 1st January every year.The procedures and terms and conditions will be the same as laid down in this OM.*
>
> (iii) *The existing scheme for regularization of work-charged employees against normal vacancy is being modified and the quota for work-charged employees stands enhanced from 50% to 67% for the next 5(five) years effective from 01.01.2015. This existing scheme will also be applicable for the casual employees appointed on full time basis...*"

5. The further case of the petitioners is that the Engineer-in-Chief, NPWD, Kohima, Nagaland, has by office letters dated nil June,2022; 01.11.2022 and 29.11.2022 forwarded the names and details of the petitioners to the Secretary to the Government of Nagaland, Works & Housing Department, Kohima, for consideration of petitioners service regularization. However, no action has been taken on those letters. Thereafter, the petitioners had also submitted a representation dated 31.07.2023 addressed to the Respondent No. 4, Engineer-in-Chief, NPWD, Kohima, Nagaland, and requested for taking necessary steps for regularization of their services. However, the respondent authorities has not yet taken any positive steps with regard to their representation. Being aggrieved by the inaction of the respondent authorities, the petitioners are before this Court praying for issuance of appropriate writ/order/direction directing the respondents to regularize their services in terms of the OM dated 17.03.2015 so that their services may be regularized at least before their retirement.

6. It is submitted that after forwarding of their names for regularization, some of the petitioners have already retired from their services, and some are likely to retire soon. As such they would not be able to enjoy the benefit of regular service during their service tenure. It is further submitted that despite of clear provision provided in the OM dated 17.03.2015, and the petitioners being eligible under the scheme, the respondent authorities are taking longer time than it is normally required for regularization of the services of the petitioners. And unless a time frame is given, the respondent authorities may further delay the process; hence, prays

for stipulation of time for implementation of the scheme for regularization of the services in respect of the petitioners who are retiring from their services.

7. The State respondents by filling affidavit contended that the case of the petitioners have already been forwarded to the State Government; however, it is yet to be taken up by the Manpower Rationalization Committee (for short MRC). The learned Government Advocate for the State respondents submits that the process of regularization of work charged employees undergoes 4 (four) stages, i.e., (i) clearance from the department of P&AR; (ii) clearance from the Finance Department; (iii) clearance from the MRC (Manpower Rationalization Committee); and finally (iv) approval from the Cabinet. And only after having cleared all the above four stages, the regularization is done. She further submits that as the regularization is a lengthy process and because of this reason, there has been some delay in the regularization of the petitioners' services. However, since the respondents have already initiated process for regularization of the services of the petitioners, the same shall be done in a phased manner as per the scheme which may take some more time.

8. The learned counsel for the petitioners submits that they are aware of the fact that the Government has already initiated process for regularization; however, the time required for completion of such process cannot be for an indefinite period, therefore, the limited prayer of the petitioners at this stage stipulate time for completion of the process for regularization of the services of the petitioners. The learned counsel for the State while agreeing with the prayer

prays that a sufficient time may be provided to the State respondents for completion of the process for regularization of the services of the petitioners.

9. I have considered the submission of the learned counsel for the parties. Keeping in view of the urgency of the matter in view of the fact that the petitioners are retiring from their services, and in view of the limited prayer made by the learned counsel for the petitioners and as agreed upon by the parties, this writ petition is hereby disposed of with a direction that the respondents regularize the services of the 283 petitioners in terms of the OM dated 17.03.2015 within a period of 6(six) months from the date of receipt of a certified copy of this order.

With the above, this writ petition stands disposed of.
