Iswar Chandra Jana
Versus
Shyamsundarpur Junior High School

Report of service of Administrative Notice upon the sole appellant suggests that the Register A/D returned with the endorsement “addressee moved”.

The instant Second Appeal is running in the list for quite few months.

None appeared on behalf of the appellant.

Considering the conduct of the appellant it appears that appellant is not at all interested to proceed with this instant Second Appeal.

Accordingly, the instant Second Appeal is dismissed for default.

LCR be sent down at once.

The instant Second Appeal is disposed of.
