2. Keeping such report on record, WPA No. 3008 of 2024 is disposed of by directing the WBSEDCL to give electricity connection to the petitioner at the earliest, preferably within three weeks from date, subject to the petitioner complying with all formalities.
3. It is further recorded that the parties have agreed that if any damage occurs to the *Boro crop* which is being grown in the adjoining areas, such damage will be compensated to

the respective land owners by the present writ petitioner.

5. Urgent photostat certified copies of this order, if applied for, be made available to the parties upon compliance with the requisite formalities.
