...for the State

Three persons were injured in an incident of assault.

All three persons suffered incise injuries. So far as the injuries on two persons are concerned, the doctor opined that although they were simple in nature, they may turn grievous. In respect of one of the injured persons, doctor opined that the injury was of grievous hurt.

All the injured implicate all the petitioners before us in the incident of assault.

Apparently, sharp cutting weapons were used in the incident of assault.

Notwithstanding the police filing charge sheet, considering the gravity of the offence and the nature of injury suffered by the injured, we are unable to grant anticipatory bail to the petitioners and the prayer for anticipatory bail is rejected.

The application being **CRM (A) 706 of 2024** is dismissed.
