1. It is submitted on behalf of the petitioners that construction of ICDS building is put up on the cremation ground. Learned advocate for the respondent/State submitted that the land in question, which has got the dag no.208, has two sub-divisions, namely 1147 and 1148 in the revenue records. The sub-division 1147 is classified as 'danga' land and the sub-division 1148 is classified as 'bhagar' land. The construction put up is in sub-division 1147. In any event the building for ICDS is also in public interest. Therefore, we are not inclined to interfere with the said construction.
