WPA No. 5255 of 2010

Sri Swapan Kumar Bhowmik
Vs.
The Appellate Authority and others

None appears for the parties nor is any adjournment sought for on their behalf even in the second call.

The writ petition is pending since 2010. It is obvious that the petitioner is not interested to proceed further with the matter.

In view of the above, the writ petition shall stand dismissed for default. Interim orders, if any, shall stand vacated.
