Court No.19

CO 928 of 2024

Ramendra Narayan Mukherjee
vs.
Mampi Nandy (Mukherjee)

Mr. Ankit Agarwala
Ms. Alotriya Mukherjee

... for the petitioner

This court is not inclined to entertain the revisional application, as the petitioner seeks expeditious disposal of a proceeding before the internal complaints committee of a particular office. The petitioner has other avenues for enforcement of the statutory obligation of the committee.

Thus, the revisional application should not be entertained and the same stands dismissed as withdrawn with liberty to approach the proper forum.
