Materials in the case diary suggest involvement of the petitioner in abducting the victim and demanding ransom. Medical documents indicate the petitioner as one of the persons involved in the crime.

Considering the gravity of the offence and the involvement of the petitioner as transpiring from the materials in the case diary, we are unable to grant anticipatory bail to the petitioner and the prayer for anticipatory bail is rejected.

The application being **CRM (A) 1032 of 2024** is dismissed.
