Madhab Chandra Bera & anr.
Vs.
The State of West Bengal & ors.

Ms. Jhuma Chakraborty
Ms. Kakali Naskar

....for the State.

Mr. Amitabh Shukla

.....for the WBSEDCL.

None appears on behalf of the petitioner even on repeated calls. No accommodation is prayed for.

It is contended by the learned advocate for the distribution company that although the petitioner contends that substation is being constructed on the petitioner's land, the substation is actually being constructed on the land allotted to the distribution company by the government.

On such submissions and as no one appears for the petitioner, let the matter be dismissed for default.
