Item No.19
Ct. No. 238
AKG

WPA 9306 of 2024
APJ Abdul Kalam Medical Institute
-vs-
State of West Bengal & Ors.

Ms. Sumita Shaw
Mr. Nilendu Bhattacharya
Mr. Soumen Chatterjee
...for the petitioner
Mr. Suman Dey
Ms. Rajyashree Mukherjee
...for the Council

Admittedly, the relevant Pharmacy College was granted affiliation for the academic session 2023-24 by a letter dated January 10, 2024, from respondent no.3.

As per the admission schedule, the petitioner-college had the scope to admit students only on 20th January, 2024 and 22nd January, 2024. The petitioner could admit 48 students only on those two specified dates.

By filing this writ petition, the petitioner-college submits that the college has strength of 60 students and it should be given a further opportunity to fill up the remaining vacant seats.

I am not inclined to grant such prayer. It is an admitted position that the first internal examination has already been completed in the month of April, 2024. The second internal assessment is scheduled to be held in the month of July, 2024. The students

cannot be allowed to take part in the relevant examinations without attending the required number of classes. At this juncture, if the college is permitted fresh students, they will not be a position to undergo the required number of classes.

I, however, make it clear that for the upcoming session i.e. 2024-2025, if the institute makes any application for affiliation, the council should process the same in accordance with law before the commencement of the said academic session.

Accordingly, **WPA 9306 of 2024** is disposed of.

Urgent certified *website* copies of this order, if applied for, be made available to the parties upon compliance with the requisite formalities.

(Kausik Chanda, J.)
