Read order dated April 29, 2024.

Today the FSL report has been filed in court. Let the same be kept with the record.

The report is positive in the sense that the substance seized has been found to be *Ganja*. Allegedly 60 kgs. of *Ganja* was seized from the petitioner, which is commercial quantity.

In view of the restrictions under Section 37 of the NDPS Act, we are not inclined to allow the petitioner's prayer for bail.

The application for bail is, accordingly, dismissed.
