Affidavit of service filed in Court today is taken on record.

The petitioner retired from services of Calcutta Tramways Company (1978) Ltd.(in short, CTC) now known as West Bengal Transport Corporation Ltd. (in short, WBTC) on 30th June, 2023. The petitioner was paid his retiral benefits on 7th December, 2023. The petitioner is seeking interest on the delayed payment of his retiral benefits.

Although the petitioner had received his retiral benefits on 7th December, 2023 and has filed the instant writ petition on 7th May, 2024, the delay in

approaching the Court for service related claim in the instant case is ignored and the WBTC is directed to pay interest on the retiral benefits of Rs. 7,06,347/- from 1st July, 2023 till 6th December, 2023 at the rate of 6% per annum within a period of three months from the date of communication of a server copy of this order failing which the principal sum of Rs. 7,06,347/- shall attract interest @ 8% per annum.

Nothing further remains to be adjudicated in this writ petition. The same is accordingly disposed of.

Since I have not called for any affidavits, the allegations contained in the writ petition are deemed to have not been admitted by the respondents.

All parties including the WBTC shall act on the basis of the server copy of this order without insisting upon production of a certified copy thereof.
