WPA No. 12518 of 2023

Srimati Rebarani Biswas
Vs.
The State of West Bengal and Others

Mr. Soumyadeep Biswas

... for the petitioner

The grievance of the petitioner is directed against a notice inviting Pre-Qualification-cum-Tender dated May 2, 2023.

By an order dated June 10, 2024, a Coordinate Bench had directed the petitioner to serve notices to all the respondents. The petitioner has been unable to effect service on the respondents and seeks an accommodation.

The State remains unrepresented.

It is obvious that the petitioner is not diligent in proceeding with this writ petition and in view of the subsequent facts, the writ petition has become infructuous for all practical purposes.

In view of the above, **WPA 12518 of 2023** stands dismissed.
