FMA 593 of 2023
IA No: CAN 1 of 2023 (not in file)

Aparna Halder
Vs.
Tata Motors Finance Limited

1. It is seen from the previous orders that the parties have been repeatedly absent at the time of call and this was the last chance given to the appellant to appear and argue the matter.
2. Even today, at the time of call, none appears for the parties.
3. Accordingly, FMA 593 of 2023 and IA No: CAN 1 of 2023 are dismissed for default without any order as to costs.
4. Interim order, if any, stands vacated.
