.....for the State

1. The petitioner has come forward with this public interest litigation alleging that the private respondents 7 to 10 have put up illegal construction and they have blocked the windows and ventilators of the ICDS centre, which was constructed in the land donated by the people of the village for the benefit of the children of the village and the pregnant women.
2. The photograph at page-33 *prima facie*, shows that two windows and three ventilators have been completely blocked and if that is so, then it is obviously, an illegal construction.
