Smt. Haimanti Dutta
Vs.
The State of West Bengal & Ors.

Mr. Tirthankar Basu
.....For the Petitioner

The matter was dismissed for default on 15.09.2022. The petitioner has filed one application for restoration for recalling of the order dated 15.09.2022.

I have gone through the said application and I find that sufficient reason has been shown for non-appearance of the learned advocate for the petitioner in this matter and the matter is restored in its original file and number.

CAN 1 of 2022 is disposed of.

List the writ application in the monthly list of July, 2023.
