The West Bengal Electricity
Distribution Company Limited & Ors.
versus
Sri Pranab Kanti De & Anr.

Mr. Sumit Kuamr Panja.
Mr. Sumit Ray.

... for the applicant.

Mr. Sambhunath De.

... For the respondents.

The respondents, being the review applicants, have preferred the instant application for review of the judgment dated 30.06.2023.

The judgment was passed upon hearing the detailed submission made on behalf of both the parties. All the points that were raised by the parties at the time of argument were duly considered by the Court.

Today submission is made in such a manner that the order under review is an erroneous one. New points have been sought to be urged by the review applicants.

The grounds taken by the review applicants in the memorandum of review do not appear to be valid and good grounds for review.

In view of the above, the Court is not inclined to entertain the review petition.

The same stands dismissed.

It will be open for the review applicants to approach the appropriate forum, in the event they are aggrieved by the judgment passed by the Hon'ble Court.

Urgent certified copy of this order, if applied for, be supplied to the parties expeditiously, on compliance of usual legal formalities.
