W.P.A. 24211 of 2024

Kabilal Kami

-vs-

The State of West Bengal & Ors.

Mr. Sudipta Dasgupta,
Mr. Saikat Sutradhar

....for the petitioner.

Md. Sarwar Jahan,
Ms. Mousumi Mitra

....for the respondent no.4.

Mr. Asish Kumar Guha,
Mr. Rajendra Chaturvedi

....for the State.

Affidavit-of-service filed on behalf of the
petitioner is taken on record.

Petitioner has come up with the present writ
petition claiming to be treated as Samprasarak/
Samprasarika in Madhyamik Shiksha Kendra (for
short, "MSK") instead of para teacher.

It has been submitted by the learned
advocate representing the petitioner that in terms
of notification dated 18th December, 2019 passed
by the School Education Department, Government
of West Bengal he exercised option to function as
para teacher not as Samprasarak/Samprasarika.
However, petitioner has subsequently found that
for a considerable period of time scheme was not
introduced and ultimately vide memorandum dated
29th August, 2024 issued by the Additional

Secretary to the Government of West Bengal, Department of School Education benefit of EPF Scheme is only extended from 1st April, 2024 in the event Samprasaraks/ Samprasarikas of Madhyamik Shiksha Kendras opted for engagement upto the age of 60 years. It is submitted by the learned advocate representing the petitioner that such scheme which has been introduced vide memorandum dated 29th August, 2024 is found to be not beneficial to him since same has been introduced with effect from 1st April, 2024 and petitioner wants to be treated as Samprasarak/Samprasarika of MSK without giving effect to the options which he has exercised. In support of such contention reliance is placed on an order dated 16th March, 2023 passed by a coordinate Bench on a writ petition being **WPA 4525 of 2023 (Bidhan Chandra Naskar & Ors. Vs. The State of West Bengal & Ors.)**

Paschim Banga Rajya Sishu Shiksha Mission (for short, 'PBRSSM') and the State-respondents are represented by learned advocates.

It has been submitted specifically on behalf of PBRSSM that the situation which was prevailing prior to issuance of memorandum dated 29th August, 2024 is altered after 29th August, 2024.

Therefore, at present petitioner has no other choice but to come under the said memorandum dated 29th August, 2024 based on options he has exercised. In the same breath it has also been submitted on behalf of PBRSSM that since the benefit of EPF is extended to the Samprasaraks/Samprasarikas with effect from 1st April, 2024 it may not be beneficial to those Samprasaraks/Samprasarikas who have less than two years left if they are to retire at the age of 60 years at par with para teachers.

Having considered the respective submissions made on behalf of the parties this Court finds that there is memorandum dated 29th August, 2024 issued by the Additional Secretary to the Government of West Bengal deciding to extend benefit of EPF to Samprasaraks/Samprasarikas of MSKs with effect from 1st April, 2024 which appears to be not beneficial to the petitioner as a result whereof he is praying before this Court for a direction to be treated as Samprasarak/Samprasarika not as para teacher by not giving effect to the options which he has exercised. Similar benefit has been extended by a coordinate Bench by passing order dated 16th March, 2023 on a writ petition being **WPA 4525 of**

2023 in the case of **Bidhan Chandra Naskar** (Supra). Placing reliance on the ratio of **Bidhan Chandra Naskar** (supra) this Court has passed several orders directing the authorities not to treat Samprasaraks/Samprasarikas as para teachers on giving credence to the options which they have exercised. Only difference today is issuance of memorandum dated 29th August, 2024 whereby State authority has decided to extend the benefit of EPF to the petitioner with effect from 1st April, 2024 which is found not to be beneficial so far petitioner is concerned since with the benefit of EPF at the fag end of his service tenure he has to retire at the age of 60 years instead of 65 years. If the petitioner is treated as Samprasarak/Samprasarika he can function upto the age of 65 years which according to him is more beneficial than to function as para teacher till the age of 60 years accepting the condition as stipulated in the memorandum dated 29th August, 2024.

Since in the writ petitions which have been decided prior to issuance of memorandum dated 29th August, 2024 permitting those petitioners to be treated as Samprasaraks/Samprasarikas without giving credence to the options which they exercised this Court finds no impediment in extending same

benefit to the present petitioner. Mere issuance of memorandum dated 29th August, 2024 should not act as fetter so far present petitioner is concerned to be treated as Samprasarak/Samprasatika without giving credence to the options which he has exercised.

In view of aforesaid discussions the writ petition stands allowed directing the concerned State authorities including PBRSSM authority to treat the petitioner as Samprasarak and the options which he has exercised shall be treated as cancelled.

It is also clarified that in future he cannot claim the benefits as para teacher.

Accordingly, the writ petition stands disposed of.

There shall be no order as to costs.

Urgent photostat certified copy of the order, if applied for, be given to the parties, upon usual undertakings.
