CO/3572/2015

Vivek Kumar Gupta & Ors.

-Vs.-

Tarak Tiwari @ Tarak Nath Tiwari & Ors.

Both the parties are not represented.

The instant revisional application is preferred at the behest of the present petitioners challenging the impugned order passed by the learned Trial Court dated 03.07.2015. By passing the impugned order learned Trial Court allowed the petition filed by the plaintiff filed under Order XXII Rule 4 of Civil Procedure Code. Challenging the said order the present revisional application is filed on behalf of the petitioners on the ground that the application for substitution of the heirs/legal representatives of the deceased dated 31st August, 2010 was allowed by the Trial Court on 13.11.2013 and by allowing this application the learned Trial Court committed mistake and error in passing the said order.

This instant revisional application is filed in the year 2015 and since then it was pending and as such I find there is no justification to keep this revisional application alive in the list and as such the revisional application being CO/3572/2015 is hereby dismissed for default.

Interim order, if any, stands vacated.

There will be no order as to costs.
