No. 35

G.S.Das

learned Civil Judge (Jr. Divn.), Barasat,

North 24 Parganas, was pleased to direct for maintaining *status quo* over the suit property till disposal of the suit.

Learned advocate submits that, till date, the said order has not been modified and/or set aside by any higher forum and, is still subsisting.

However, the petitioners are being disturbed and/or obstructed in carrying on their lawful business.

Learned advocate for the State has submitted a report, which reflects that the Inspector-in-charge of Deganga Police Station has recorded that the business of building materials and hardware of the petitioners are running on the land.

It has been further asserted in the report that there has been no interference from the police authorities from carrying on the said business.

The report also reflects that a proceeding under Section 107/116 of the Cr.P.C. was drawn up by the police authorities to maintain peace and tranquility.

Be that as it may, as the police report reflects that the petitioners have been running their business of building materials and hardware and, there has been a *status quo* order, if there is any interference from any corner, the police authorities would ensure that the same is dissuaded.

In the meantime, the petitioners, if they are facing problem, would approach the learned Civil Court for appropriate police assistance and/or police protection in connection with Title Suit No. 867 of 2024.

With the aforesaid observations,

WPA 28225 of 2024 is disposed of.

Report so submitted be kept with the record. Let a copy of the report be handed over to the learned advocate for the petitioner.

Parties to act on a server copy of this order duly collected from the official website of the Hon'ble High Court, Calcutta.
