Mr. Debasish Kundu

... for the petitioner.

The matter has been mentioned for correction of the order dated 12<sup>th</sup> December, 2024.

In the 8<sup>th</sup> line of the 2<sup>nd</sup> paragraph of the said order it has been recorded that the candidate having height 169.5 cm and above has been permitted to participate in the Physical Standard Test (in short, “PST”). Instead of PST it will be Physical Efficiency Test (in short, “PET”) as has been recorded in all the previous orders referred to in the said order. As a consequence of such inadvertent mistake in recording PST instead of PET, the operative portion also stands as “petitioner shall be granted to participate in the PST on 12<sup>th</sup> December, 2024”. Instead of PST it should be recorded as PET.

It is submitted on behalf of the petitioner that due to such mistake in the order the petitioner has not been allowed to participate in the PET on 12<sup>th</sup> December, 2024. The petitioner is, according to the learned

advocate, still at the place where the PET had been conducted on 12<sup>th</sup> December, 2024. The respondent authorities who are conducting the PET have informed the petitioner which is communicated to the Court through the petitioner's advocate that the respondent authorities will be able to conduct PET even today if the order is corrected.

Since there has been a mistake in the order which apparently has prevented the petitioner from participating in the PET on 12<sup>th</sup> December, 2024, the order is corrected granting the petitioner permission to appear in the PET that may be held today (13.12.2024).

Let the corrections be incorporated in the order dated 12<sup>th</sup> December, 2024. The order dated 12<sup>th</sup> December, 2024 should be now read, meant and construed with this order passed today.

The respondent authorities shall make necessary arrangements so that the petitioner, if is present at the place wherein the PET had taken place yesterday, is present today with this order can appear in the PET.
