Sri Kartick
Vs.
Union of India & Ors.

1. Today again there is no representation on behalf of the writ petitioner nor there is any prayer for accommodation. The situation was the same on the last date when the matter was taken up on 19.11.2024.
2. We are, therefore, *prima facie* of the view that the petitioner has lost interest in the present proceedings.
3. The Writ Petition is dismissed in default of appearance.
