Mr. Kumar Shantanu

... for the State

Mr

The matter appeared in the list on 4th November, 2024 when no one appeared on behalf of the petitioner, but the State and the private respondents were represented. Yesterday (4.11.2024) being the first day of Circuit Bench, the matter was passed over.

Today, no one appears to represent the petitioner, although the State and the private respondents are represented.

It appears that the petitioner is no more interested to prosecute the writ petition. The writ petition is accordingly dismissed for default.

Interim order, if any, stands vacated.
