The Court: This is an application under Section 29A of the Arbitration & Conciliation Act, 1996.

It is submitted on behalf of both the parties that for unavoidable reasons the arbitral tribunal could not conclude the arbitral proceedings within the stipulated time period.

I have considered the averments made in the application and I am satisfied that there are sufficient grounds and good cause as to why the Arbitrator has been unable to conclude the reference within the stipulated time period.
