Re: GA/3/2023

The Court: This is an application for restoration of the appeal being APOT/466/2023, which was dismissed on January 8, 2024, along with the connected applications (**GA/1/2023** and **GA/2/2023**).

Having heard learned counsel for the parties and having gone through the restoration petition, we are satisfied with the

explanation furnished for absence of learned advocate for the appellant on the day the matter was dismissed.

Accordingly, the order dated January 8, 2024 is recalled. The appeal is restored to its original file and number.

GA/3/2023 is disposed of.

Re : GA/1/2023

This is an application for leave to appeal against a judgement and order dated December 13, 2023. We are told that a subsequent order has been passed by the learned Single Judge on January 9, 2024. Therefore, nothing really remains in the proposed appeal. It will be meaningless to grant leave to appeal.

GA/1/2023 is dismissed.

Consequently, the appeal (**APOT/466/2023**) and the other connection application (**GA/2/2023**) also stand dismissed.
