ORDER
(21.12.2024)

01. The institution of this writ petition is of 14.10.2015.

02. The petitioner is said to have been boarded out from CRPF Service in the year 2004 on account of disability as pleaded in the writ petition though disputed by the respondents who come forward stating that it was petitioner who had voluntarily relieved himself from service by submitting an application to said effect.

03. Be that as it may, the petitioner is seeking grant of disability pension in his favour w.e.f. 2004 alongwith all the arrears and consequential benefits.

04. The writ petition of the petitioner is patently hit by delay and laches that to unaccounted for. In fact, there is not even a whisper of averment in the entire writ petition as to why it took petitioner ten (10) long years in waking up to feel sense of deprivation of disability pension to him.

05. Accordingly, the writ petition is ***dismissed*** on account of delay and laches.
