operative only for six months.

Perusal of the record shows that the order has been passed on 17.08.2023 and period for interim injunction was only for six months. About five months have already been passed. Thus, pendency of this petition shall not be in favour of either party.

This petition stands disposed of directing the petitioners to point out in respect of the order passed by the Appellate Court in Lower Court when six months is over. It is further directed that the Lower Court shall make all endeavour to decide the case expeditiously preferably within one year from the date of production of certified copy of this order.

With aforesaid observations, this petition stands **disposed of.**
