**DATE : 15<sup>th</sup> March, 2024**

**PER COURT:**

1. The admitted facts as they stand today, are that, a tower at the place earmarked has been erected. The tower was never to be erected in the land of the present Petitioner. The stringing of the wires connecting the towers has already been completed. When stringing was done, there were no crops standing in the land of the Petitioner. In these circumstances, there is no hindrance for the project to proceed as per its plan.

(3)

2. Insofar as the Civil Applications filed for addition of the parties and the Petitioner's desire to amend the Petition, we have heard all the learned Advocates for the respective sides. **All these Civil Applications are allowed.** The Petitioner shall add the Intervenors as Respondents in the Writ Petition.

### **WRIT PETITION**

3. Issue notices in the Writ Petition to the added Respondents. Notices are waived by all the learned Advocates on behalf of the Intervenors/added Respondents.

4. Insofar as the two orders passed by the District Collector, Chhatrapati Sambhajinagar, both dated 28/02/2024, in Case No.2024/Home/CR-01 and Case No. 2024/Home/CR-02/24, we would consider the submissions of the learned Advocates for the respective sides, on the next date.

5. The learned Advocate Shri. Gaikwad was requested to address the Court since he is on the Panel of the Electricity Transmission Company. He waives service and submits that, he would collect the copies of the Petition paper book and address the Court on the next date by taking instructions.

6. As such, stand over to 05/04/2024 in the 'urgent orders' category.
