01. In these matters, the Petitioners are directed to deposit 25% of the fine amount. However, the recalibration is not granted. It appears that the said issue is yet to be considered by the Authority.

2. As such, we **dispose off both these Writ Petitions** by directing the said authority to deal with the prayer of the Petitioners for recalibration after the Petitioners deposit 25% fine amount and only upon noticing that the weight of the vehicle is within permissible limits, same may be released subject to imposition of such conditions as the said Authority may deem appropriate.
