It is submitted that in the said incident, present Applicant had sustained fracture injury. To substantiate said submission, he has placed reliance on the copy of charge-sheet filed in the said crime which indicates that the present Applicant sustained two fracture injuries to his hand. It is his submission that if the Applicant had sustained fracture injuries to his hand it is impossible that he could caught hold the informant to facilitate co-accused to administer poisonous substance to him.

4. Learned APP and learned counsel for the informant opposed the application.

5. Perusal of the record indicates that two incidents occurred on 10.02.204, one in the jurisdiction of Pathardi Police Station and another in the jurisdiction of Shevgaon Police Station. Charge-sheet filed in respect of Crime No. 129/2024 registered with Pathardi Police Station indicates that on 10.02.2024 Applicant had

sustained fracture injuries to his hand in the incident occurred at about 8.00 am. If it is so, question of he catching hold of the informant to facilitate administration of poisonous substance does not arise.
