by recalling the show cause notice of penalty issued by the respondent No.2 dated 8.07.2024.”

2. We are not considering the prayer clause (B) since proceedings are pending before the concerned Authority.

3. We are considering prayer clause (C) since the final order has not been passed in the pending proceedings. Had the final order been passed, we would have relegated the Petitioner to the Higher Authority, before whom the Application for recalibration could have been made.

4. Considering the above and the several orders passed by this Court in similar matters, **this Writ Petition is disposed off.** Let the concerned Additional Collector, Nandurbar, carry out the recalibration of the concerned vehicle on 12/08/2024 upto 5:00 p.m.. Needless to state, if the weight of the vehicle is within the permissible limit, the said vehicle will be released by following the due procedure laid down in law.
