CORAM : KISHORE C. SANT, J.

DATE : 06th SEPTEMBER, 2024.

PER COURT :

1. Heard the parties. This Court by order dated 07.05.2024 has already granted the present applicants to withdraw amount of 75%. However, the said amount is not withdrawn.

2. Considering the number of the applicants, the applicants have again filed this application praying that the

amount be separately paid to the applicants as per their respective shares as given in paragraph No. 4 of the application and also in the prayer Clause (B) of the application.

3. Since this Court has already allowed the application, it is only a technical difficulty that the amount could not be withdrawn. Hence, the office is directed to allow the applicants to withdraw the amount separately as given in paragraph No. 4 and the prayer Clause (B) of the application.

4. With this ,the Civil Application stands disposed off.
