2 Both these petitions are identical. The issue involved in the petitions is as regards the maintainability of the revision under Section 9 of the Maharashtra Money Lending (Regulation) Act before the Registrar General under the said Act. This Court has already held in Review Application (Civil) No.196 of 2024 in Writ Petition No.14387 of 2019 that the remedy is available to approach the Registrar General

under the said Act challenging the order passed by the Joint Registrar.

3 In view of the same, both the writ petitions are disposed of by granting liberty to the petitioners to approach the Registrar General by way of filing revision.

4 The authorities are expected to decide the revisions as early as possible and in any case within six months from today.
