P.C.

This is an application for substitute service by affixation/publication for service on respondent no.2, 2A and 2B. The application is allowed to the extent that service shall be effected through affixation of the notice on the door of the premises at the address stated in the cause title for respondents no.2, 2A and 2B.

2. Notice shall be made returnable on 29.11.2024.
3. The application stands disposed of.
