CORAM : SANDEEP V. MARNE, J.

DATED : 28 November 2024.

P.C.:

1) The issue involved in the Petitions is squarely covered by order dated 13 June 2024 passed by this Court in ***Sangli, Miraj and Kupwad Cities Municipal Corporation at Sangli***

through its Commissioner V/s. Jamir Majid Shaik¹. The order reads thus:-

1. By this petition, the Petitioner-Municipal Corporation challenges Judgment and Order dated 14 March 2024 passed by the Member, Industrial Court, Sangli in Complaint (ULP) No.53 of 2015. The Industrial Court has directed the Petitioner-Municipal Corporation to pay wages to the Respondent at the minimum of the pay scale applicable to a permanent oilman / pump operator, from the date of the order.

2. The complaint was filed seeking a broader relief of regularisation in service of Respondent, who is working as Badli worker. The Industrial Court has however, not granted him relief under Item 6 of Schedule IV of the Maharashtra Recognition of Trade Unions and Prevention of Unfair Labor Laws Practices Act 1971 (**MRTU & PULP Act**). But it felt it appropriate to grant limited relief of payment of wages in the minimum pay scale. In fact, this is the law laid down by the Apex Court in ***State of Punjab and Ors vs Jagjit Singh And Ors, 2017 1 SCC 148***. The Tribunal rejected prayer for regularisation but granted lesser relief of minimum wages as per the law laid down by the Apex Court in ***Jagjit Singh*** (supra). No infirmity is noticed in the order passed by the Labour Court. Hence, the writ petition is rejected.

2) The Reasons recorded while dismissing the Writ Petition No.8389 of 2024 would squarely apply for dismissing the present Petitions as well. The Writ Petitions are accordingly **dismissed**.
