Mr. Nilesh Desai, *for Respondent.*

Mr. Rajesh Sadashiv Raut, *Chief Administrative Officer, Office : Jt. Div of Health Services (Leprosy & T. B.) Pune.*

CORAM : SANDEEP V. MARNE, J.

DATE : 5 SEPTEMBER 2024.

P.C. :

1) These nine petitions are filed by the Assistant Director and Joint Director of Health Services (Leprosy) challenging the common Judgment and Orders dated 5 March 2002 passed by the learned Member, Industrial Court, Satara, by which the Complaints filed by Respondents have been allowed and Petitioners are directed to continue them in employment and give them permanency after completing the necessary procedure.

2) By Order dated 25 August 2003, this Court has stayed the implementation of the impugned Judgment and Order.

3) When the petitions are called out for final hearing today, Ms. Nimbalkar, the learned AGP places on record communication addressed to her by the Joint Director, Health Services (Leprosy and Tuberculosis) Pune giving latest position of total 12 Complainants, in whose case the impugned common Judgment and Order dated 5 March

2002 is passed by the Industrial Court. The said letter dated 4 September 2024 would indicate out of the 12 Complainants before the Industrial Court, five of them, viz Shri. Shashikant Krushna Sanap, Smt. Nanda Pandurang Devkate, Shri. Dilip Vitthal Mane, Shri. Kiran Sahebrao Bhandalkar, and Smt. Anita Ajit Awale apparently participated in selection process conducted either by the Petitioner or by other organizations and they have secured regular appointments in their respective organizations. Smt. Anjum Ramjan Porbhandarwala has passed away on 14 April 2012. Therefore, grievance *qua* the said six Complainants no longer survives. This leaves six other Complainants.

4) Ms. Nimbalkar would submit that Petitioners have already granted regular appointments to the said six Complainants in view of letter dated 5 October 2023 of Joint Secretary, Government of Maharashtra which reads thus :

5) The position that remains as of today is that out of the nine Writ Petitions listed before me, the Respondents in following four Petitions have already secured appointments through separate selection process:

(i) **Writ Petition No. 5552 of 2003:** Smt. Nanda Pandurang Devkate is selected in 2003 selection process conducted by Assistant Director of Health Services (Leprosy), Satara and posted at Urban Leprosy Centre, Phaltan.

The appointment orders of the above individuals are placed on record which indicate that they have been granted regular appointments from the dates of their initial engagements.

8) Since the Petitioners themselves have decided to regularize services of some of the Respondents, while the rest of the Respondents

were already regularized/appointed under different selection process, nothing further remains to be adjudicated in the present petitions. Ms. Nimbalkar would however submit that the course of action adopted in the present petition be not treated as precedent to be followed in other cases. Accordingly, it is directed that the course of action adopted by the Petitioners in the present case shall not constitute a binding precedent for any other case.

9) All the Writ Petitions are accordingly disposed of. In view of disposal of Writ Petitions, all pending Civil Applications do not survive and the same are also disposed of.
